**Test Report**

Number: SZHH01889686

Tests Conducted

1 Sharp Point Test

As requested by the applicant, the submitted samples were tested with reference to the test method of the U.S. Code of Federal Regulations Title 16 Part 1500.48. The submitted samples were assessed for presence of hazardous sharp point on the submitted sample in as-received state.

No. of sample tested: One (1) piece

Result:

After testing, no hazardous sharp point was found on the submitted samples.

2 Sharp Edge Test

As requested by the applicant, the submitted samples were tested with reference to the test method of the U.S. Code of Federal Regulations Title 16 Part 1500.49. The submitted samples were assessed for presence of hazardous sharp edge on the submitted sample in as-received state.

No. of sample tested: One (1) piece

Result:

After testing, no hazardous sharp edge was found on the submitted samples.

3 Labeling Assessment

As per the client's requirements, the submitted sample was subjected to the following test requirement. Executive summary:

Attribute	Test Method/ Standard	Requirement/Limit	Result
†Law Label - Except Stuffed Toy	Various US State Law / With reference to IABFLO	Stuffed articles (except stuffed toys and stuffed pet toys), bedding or furniture with filling materials, as specified, shall have law label attached to the product.  NOTE: It is the vendor's responsibility to register the product as required.	NA

† Labeling for Upholstered Furniture	16 CFR 1640	<p>Each manufacturer of a product that is subject to the California standard shall include the statement "Complies with U.S. CPSC requirements for upholstered furniture flammability" on a permanent label located on the product, which shall be considered to be a certification that the product complies with that standard.</p> <p>CPSC staff recommends that the certification statement be conspicuous and legible. The statement should be at least 1/8-inch high and not smaller than other text on the label; it should be in black text on a white background and surrounded with black border. The label may be a separate label, or it can be added to the bottom of an existing California TB 117-2013 label required by SB-1019. The required statement must appear on the front of the label in English and cannot be on the back side.</p> <p>Compliance with the labeling requirement in § 1640.4 shall be required by June 25, 2022, and shall apply to all upholstered furniture, as defined in § 1640.3, manufactured, imported, or reupholstered on or after that date.</p>	NA
